## 40 Acres – Versatile Farm & Home with Outbuildings in Macon County, Missouri

Discover the perfect blend of privacy, farming, and recreational living in this extraordinary 40-acre property located northwest of Bevier. The ranch home boasts approximately 4,000 square feet of living space, featuring **6 bedrooms** and **3 full baths**.

Step into the spacious kitchen equipped with ample cabinet space. Cozy up by the **gas fireplace on the main level** or enjoy the warmth of the **wood-burning fireplace** in the finished walk-out basement. The basement offers **3 bedrooms, 1 full bath**, and a fully equipped kitchen, making it perfect for multi-generational living or added convenience. With its generous layout, this home is move-in ready, but it also presents incredible potential for customization and revamping.

The 40-acre farm has a gorgeous layout with year-round recreational opportunity featuring **2 ponds**, a creek, lush pasture, timber, and abundant wildlife. Two tom turkeys and several ducks and geese were photographed on property on picture day. Previously used as tillable ground and a cattle farm, the property is fully fenced and partially cross-fenced. Whether you wish to run cattle, bale hay, or turn these acres back into tillable production, this farm has several options for income.

The **48x36 red barn** adds nostalgic charm and versatile functionality, complemented by **2 grain bins**. Additionally, the **24x24 detached garage** provides space for vehicles or equipment, while the **25x8 outbuilding**, once used as dog pens, offers limitless possibilities for adaptation.

This remarkable farm and home package delivers an exceptional opportunity for those seeking privacy, versatility, and potential.
