45 acres m/l. Great hunting tract with the East Fork Little Gravois Creek running through it.

Several food plot sites along the creek perfect for bringing plenty of whitetail deer, catching that cruising buck in the November Rut, or calling in that gobbling tom turkey in the spring.

The property is conveniently located between Eldon and Osage Beach and just off Hwy 54.

This farm would give you just one more reason not to winterize the lake house so early anymore.
