Hard to find, non-waterfront building lots at Lake Nehai with a view of the lake.

Nice lot along Lake Drive. With a good view of the lake, this lot is an excellent property to invest in and build a vacation home, weekend getaway or permanent residence. Not all lake lots for sale offer the buyer the advantage of the survey already completed, deeds are current, and utilities close along with fiber internet. This makes buying this lot an easy choice with not a large investment in running utilities.
