Welcome to Lake Ranch – A Rare Nice Waterfront Estate in the Heart of Osage Beach!

Tucked behind a private timber entrance and nestled among mature hardwoods, this extensively renovated waterfront retreat offers a rare combination of luxury, privacy, and lakefront living. Situated on approximately 2 acres with 214 feet of shoreline in desirable Miller's Cove, this remarkable property features nearly 4,903 square feet of beautifully updated living space designed for entertaining and making lifelong memories.

The spacious home offers 5 bedrooms, including a flexible bonus room ideal for a future custom bunk room perfect for hosting family and guests, multiple gathering areas, and two stunning wood-burning fireplaces. The open-concept main living area showcases vaulted tongue-and-groove wood ceilings, expansive windows, and walls of glass that bring the beauty of the lake indoors. A newly remodeled kitchen anchors the space, quartz countertops while custom finishes throughout create a warm, modern lake-house feel.

Recent improvements provide peace of mind and include a new roof, new HVAC system, new septic system, updated flooring, fixtures, and extensive interior and exterior renovations. The oversized 3 1/2-car garage provides ample storage for vehicles, lake toys, and outdoor equipment.

Step outside to enjoy multiple lakeside decks, a gentle path to the water, and a private 2-well dock located in a protected cove with calm water ideal for swimming, paddleboarding, fishing, and boating. The setting offers exceptional privacy while remaining just minutes from Osage Beach restaurants, shopping, golf, entertainment, and all the amenities Lake of the Ozarks has to offer.

For buyers seeking an even more extraordinary opportunity, the adjacent 20-acre parcel is available for purchase separately after the home sale. Combined, the property would encompass approximately 22 acres, room for ATV riding, bow hunting and offering over 500 feet of shoreline, creating one of the most unique private lakefront estates available in Osage Beach.
