Two undeveloped lake lots located on Fawn Lake at Lake Nehai. These waterfront lots sit on the hill overlooking the 4 acre fishing lake. Beautiful setting to build your hunting or fishing cabin or weekend getaway. All utilities close by, gently sloping property with mature hardwoods. Get away from all the hustle and relax on your own piece of lake paradise. This lake is an excellent place to fish, kayak, and play in your paddle boats and canoes away from the larger lake traffic.

Purchase of this property allows use of all lake amenities including all recreation on the big lake, swimming pool, beaches, docks, campgrounds, golf course, volleyball and horseshoe pits.
